

Citigold Private Client

Global Banking

Citi never sleeps

The Citibank logo features the word "citibank" in a lowercase, sans-serif font. A red arc is positioned above the "i" and "b". A registered trademark symbol (®) is located at the end of the word.

Global Banking

Your status as a Citigold Private Client automatically qualifies you for the global benefits that we provide to our Citigold clients. Here is a brief summary of those benefits:

Global Recognition

No matter where you travel, you can be assured that your reputation as a Citigold client will always precede you. This means you can enjoy all the benefits of Citigold status trip after trip, time after time.

Universal Access

We're always standing by to help you—anytime, anywhere. In fact, you can get in contact with Citigold Customer Service as fast as you can get online. In addition, with over **20,000 ATMs and 4,000 branches** around the world, chances are there will always be a Citibank branch near you.

We offer a variety of global banking products and services to give you global control of your finances no matter what country you are in:

Global View of Accounts

From a single page you can simply and securely:

- Anchor every Citi account from every participating market* to your home account
- View multiple account balances at a glance
- Login to each of your individual accounts and transact 24x7

Global Funds Transfer

This online service allows you to send funds instantly from your Citibank accounts to other Citibank accounts in participating countries worldwide at preferential rates.

Transferable Credit History

You've worked hard to establish an exemplary credit history in your home country. Citigold will transfer that history to our network in your new country so you can open a Citi card there.

Offshore Account

If you're looking for a stable place to manage, grow, and protect your wealth, our financial experts can help you open an offshore banking account to complement your other accounts.

*Currently you can link and view your Citi accounts in Australia, Hong Kong, Singapore, Indonesia and IPB Singapore. We will continue to add other markets as well.

Multiple Currency Accounts

You can open accounts in multiple cities and countries and take full advantage of currency fluctuations and global market opportunities. So if you're based in Singapore, but often in London and New York, you enjoy all the conveniences of having a local bank in all three places.

Pre-Arrival Account Opening

Citigold not only meets your needs, but anticipates them. For example, if you're relocating to another country, we offer Pre-Arrival Account Opening. Give us the details ahead of time and your new accounts will be open, activated, and ready for transactions immediately upon arrival - local rules permitting, of course.

Emergency Services

Citibank's global presence enables us to help you when you need it most. We can assist you with emergency cash of up to \$10,000 from any of our branches or ATMs. In case of a health emergency, Citigold Select Emergency Healthcare Services is a service that is available exclusively to all our Citigold Private Clients. You will now have access to International SOS, the world's leading provider for medical assistance. Should you require medical help while travelling internationally, you will enjoy round-the-clock support anywhere in the world.
